Assembly Republican Caucus 2007-09 Budget Motion Request

Date: 6/22/07

Legislator: Gottlieb

Staff Contact: Rob Richard/Denise Solie

Working Group Motion Pertains To: Authorizing a boat launch fee to fund water safety patrol.

Agency: DNR

Statement of Motion Intent: Right now, the City of Port Washington and Ozaukee County use property taxes to fund rescue boat operations on Lake Michigan. Many believe this is an inappropriate use of property tax money because only boaters may utilize the service. This motion would allow a boat launch fee to be implemented to fund rescue boat operations. The user fee would apply to those who use the Port Washington boat launch, or any other public boat launch, so that those who could benefit from the service are the ones subsidizing it. ~~Municipalities will have the option of issuing the fee, it is not mandatory.~~

Summary: 30.77 (3)(f) of the statutes is created to read:

30.77 (3) (f) Notwithstanding the prohibition in sub. (1) (b) against ordinances or local regulations that exclude any boat from the free use of the waters of the state, a municipality, a public inland lake protection and rehabilitation district, or a town sanitary district that has in effect an ordinance under par. (am) may charge a boat operator using a public boat launching facility that the municipality or district owns or operates a fee, of not more than 20 percent of the amount specified in s. 27.01 (7) (f) 2., for the municipality's or district's costs of operating or maintaining a water safety patrol unit, as defined in s. 30.79 (1) (b). The fee under this paragraph may be charged in addition to any fee authorized to be charged under par. (e) 1. a.

The fee may not exceed 20 percent of the fee for daily resident vehicle admission to a state park.

Fiscal Impact: There is no official fiscal estimate prepared. The rescue boat's budget for 2007 is \$49,000. The motion's intent would alleviate the use of municipal and county taxes to pay for a water safety patrol unit in favor of a boat launch user fee to fund it.

Funding Source (if applicable):

an additional fee for safety patrol or for boat launch fee
